

God has blessed us with another year and we are thankful for His accomplishments through this ministry. We did not plant KFCI in a new country this year but, we were able to hire a director for the Island of Negros in the Philippines. Riza May Sumayop has been working since November 1 and is doing a tremendous job. We are grateful to Bruce Wunderley for contributing her first year's salary.

We praise God for you and your faithful support through prayers and your finances. Without you, this ministry would not exist and that humbles us to see how God continues to work through His people. Each month we marvel at God's provision and believe what Paul wrote to the churches at Ephesus, "Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us." Ephesians 3:20

The New Year holds excitement as I will be traveling to The Philippines, India and Sri Lanka. I leave January 14 and will return February 24. The time will be spent teaching, preaching, training and conducting the KFCI ministry. I will be meeting with Christo and his wife for the first time in Sri Lanka. I am also looking forward to touching base with our India ministry and seeing first hand the progress that is being made there.

On behalf of Kids for Christ, International, we wish you a very Merry Christmas and the best for the New Year.
